

André Sbrocco Figueiredo

successfully attended and completed the
Applied Vehicle Dynamics Software
OptimumG Seminar

at Centro Universitário da FEI
São Bernardo, Brazil
November 4-7, 2014

A large, stylized handwritten signature in black ink, which appears to read "Claude Rouelle". The signature is written over a background image of a mechanical component, possibly a suspension part, which is partially visible and faded.

Claude Rouelle, President & Founder, OptimumG
